THE BEST SUMMER OF MY LIFE

I My name is Bob. My brother James and I lived in a small town in England when we were children. Our parents had a restaurant. They taught us how to cook and serve food. They always said that good food with good friends makes people happy.

II After high school, James and I moved to London. We worked at many different jobs but we always thought about making food. One summer we decided to make and sell our own pizza in an outdoor market. We sold pizza all day and then, in the evening, we served our food at parties. We met many interesting people. That was the best summer of my life.

III It was a special time for us because we shared everything. James was a great cook and I was good with the money. One year later, we opened our first pizza restaurant. Today we have six restaurants and 200 people work for us.

DOGS AT WORK

By Rhonda Abrams

I Do you know that January 23 is a special day for dog lovers? It is "Take Your Dog to Work Day." On that day all companies let workers bring their dogs to work. In fact, there are many good reasons why a company should let workers bring their dogs to work every day.

II Firstly, people love their pets and are happier at work when their dogs are with them. Happy workers do their work better. Secondly, dogs in a workplace can also help the other workers relax and feel better. They can play with a dog and enjoy a few minutes with it. Thirdly, dog owners can stay late at work. They don't have to go home early to feed their pet and take it for a walk.

III People can learn a lot from dogs. Dogs are loyal, patient and accept people as they are. Dogs also know how to say thank you when people do something nice for them. They wag their tails or lick our faces to show they are thankful. Dogs can teach us to thank people who do something nice for us.

IV At my workplace, every day is "Take Your Dog to Work Day" because dogs are always welcome. I bring my dog Zuzu to work with me all the time. I work for a small company but we have five dogs in the office. Zuzu and I love going to work every day.
